www.autographsautographs.com - Big Time Rush leave their hotel in New York City and are immediately swarmed by a huge crowd of young female fans. One of the members (Carlos) yells that he has "no control over this!" while being pushed into the waiting SUV by handlers. You can hear their bodyguard repeating "Lets go in guys!" with panic in his voice. They role down their window and talk to fans, and tell them theyll be back in 3 weeks, that they love the fans, and more.
