Gawker's Brian Moylan received an anonymous tip from someone contacted to serve as a 'lifestyle consultant' at New York City's way over-the-goddamned-top new gay [Hotel](#), The Out NYC. Sure, there are special rooms for sex and for hot people and communal showers and shacking up single patrons together in rooms, but setting aside for the moment that this [Hotel](#) sounds like it was designed specifically to get Rick Santorum elected president, what struck out to us at [Demotale](#) was the following:

So are they going to specifically seek out Latinos for hiring in order to fulfill stereotypes/invert the Latina maid archetype. Or is the reality of the situation just that male housekeepers, like female housekeepers, are overwhelmingly Latin American. Do we really need another opportunity to hypersexualize Latinos, much less one where being a hypersexualized Latino is pretty much what you're getting paid for.

A handful of New York City [Hotels](#) are going under the knife to have a little work done this winter, including the historic Algonquin [Hotel](#), which will be closed until May 1. Built in 1902, the [Hotel](#) was designated a New York City landmark as well as a literary landmark as the epicenter of the Round Table. In addition to an overhaul of the Algonquin's 174 guest rooms, the [Hotel](#)'s elevators, plumbing, heating and cooling systems will be renovated, according to [Crain's New York](#).

Revamped rooms will feature better power outlets, brighter lamps, black-out shades and showers will replace the original bathtubs in most rooms, according to USA Today.
